Report on co curricular activity 2020

Our school, DAV Public School Sasaram Admapur has started online Co- Curricular Activities in this pandemic situation. The mission is to overcome the learning crisis. The challenge today is how to reduce the negative impact of this pandemic and can recover stronger with a renewed sense of responsibility. For the students, this is the time to develop socio - emotional skills and learn more about how to contribute to society as a citizen. Co- Curricular activity is only the tool which can help in the development of various domains of mind and personality such as moral development, emotional development, intellectual development, and social development .By introducing Co - curricular activities along with online studies we are trying to produce better and more complete human being.

Co- Curricular Activities :
